**Auctioneer's Comments:** This is a very large auction and will require we run two rings for part of the afternoon. Randy Wells, one of the most recognized Auctioneer's in the Nation will be our guest Auctioneer. The auction combines the sale of Decker & Sons Construction Co., a moving sale for Jack Simmons of Orofino and the Estate of John Sperline of Lewiston. We have good equipment, trucks, pickups, cars, ATVs, boats, motorcycles, power tools, furniture, household items and even new storage sheds. **There will be feature/prime time items on the block all day long.** The small shop equipment, machine tools, the lathes and power tools will be sold in the morning. The Real Estate and Guns will be offered about noon and the larger equipment pieces and vehicles in the afternoon. The catalogs will be available online and at the auction office at 8 AM. Please mark the catalog when you preview for your convenience. This will allow us to move faster without you being confused about what is being sold and when. The furniture, bargain boxes, and hundreds of miscellaneous items will not be cataloged, but most power tools, equipment pieces and vehicles will be sold in catalog sequence. The weather should be nice so come have a good time and get a great deal. Few actions will offer as many quality items or as much variety... Happy Trails, Tiger
